**Calling attention to a matter of Urgent Public Importance  
re: Outbreak of Cholera in Kanakapura Taluk.**

Mr. SPEAKER.—Next item in the agenda is the Calling Attention Notice by Sri S. Kariappa.

ಶ್ರೀ ಎಸ್. ಕರಿಯಪ್ಪ (ಕನಕಪುರ).—ಕನಕಪುರ ತಾಲ್ಲೂಕಿನಲ್ಲಿ ಕಾಲರಾ ರೋಗ ತಲೆ ದೂರಿರುವ ಪ್ರಯುಕ್ತ ಉದ್ಭವಿಸಿರುವ ಪರಿಸ್ಥಿತಿಯನ್ನು ಅರೋಗ್ಯ ಶಾಖೆಯ ಮಂತ್ರಿಗಳ ಗಮನಕ್ಕೆ ತರುತ್ತೇನೆ.

† Sri K. NAGAPPA ALVA (Minister for Health).—Sir, Cholera infection started in Banavasi village, Maralavadi Hobli, Kanakapura Taluk on 30-9-1965. The information was conveyed to the District Health Officer by phone by one of the residents of Doddamaralavadi village on 5-10-1965. Immediately, the District Health Officer sent instructions to the Assistant Medical Officer of Health, Doddamaralavadi Primary Health Unit, as well as to the Medical Officer of Health, Primary Health Centre, Kanakapura to undertake all the necessary preventive measures. The District Health Officer, Bangalore visited the area on 6-10-1965 and has organised the necessary control measures. The following are the villages affected: Banavasi, Doddamaralavadi, Hanumanthapura, Kallankuppe, Juttegowdana Valase, Uppara Doddi, Achalu and Tamasaandra.

All the cases have been isolated and given treatment. All the control measures like inoculations, disinfection, chlorination of drinking water sources, Sulphaguanidine prophylaxis, Hexidole spraying have been undertaken. Sufficient staff has been posted from outside the area to undertake control measures promptly and effectively. All the equipments, drugs and materials required for control are present in sufficient quantities in the affected area. As and when required, additional staff are being sent from the District Health Office, Bangalore.

A number of neighbouring villages and Kanakapura town have also been taken up for preventive measures. Till the 18th, about 19,154 anti-cholera inoculations have been done in the area and the preventive measures are in rapid progress.

The Deputy Commissioner (Rural), Bangalore, has declared Kanakapura Taluk as infected with cholera under the Mysore Public Health Act. All the neighbouring District Health Officers have been informed of the presence of infection in Bangalore district and have been requested to be on guard and take prompt preventive measures in the adjoining areas of Bangalore District. The Assistant District Health Officer, Bangalore, is in the affected area directing the operations. The District Health Officer is supervising the entire affected area.
